Education

Rochester Institute of Technology
B.S. New Media Interactive Development
Honors Program, *expected 2016*

Experiences

Sayre Area School District, *Sayre, PA*
Technology Department Intern
2012

My responsibilities included: managing and creating visuals for the school's web site, imaging batches of computers, installing new wireless access points throughout the school, fixing damaged computers/equipment, managing the school's Microsoft Active Directory, among other miscellaneous tasks.

The Bridge, *Sayre & Athens, PA & Waverly, NY.*
Volunteer
2008-Present

The Bridge is a local non-profit organization that seeks to help those in need within our community. My roles at The Bridge over the years have included: working on their web site, handing and carrying goods during food distributions, managing and distributing inventory at the Clothes Closet, Kids at Risk Center, and the warehouse, as well as many
